DEFINITIONS

Emergency

An Emergency is an abnormal situation that demands prompt, coordinated actions that exceed normal procedures, thereby limiting damage to person, property and/or the environment.

Emergency Coordinator

That person appointed by resolution as the Emergency Coordinator for the Town of Langenburg and the R.M. of Langenburg No. 181.

Local Authority

Means the Council of the Municipality.

Municipal Service

Means fire, police, ambulance, public works and other agencies operating within the jurisdiction of the Town of Langenburg and the R.M. of Langenburg.

Resource

Means personnel, equipment and operational supplies available for use during a period of emergency.

EMERGENCY NOTIFICATION SYSTEM

Upon receipt of a warning of a real or potential emergency, that person will immediately contact one of the individuals listed under the Community Warning Sections Emergency Notification.

It is the responsibility of the members of the Emergency Operations Center Management Team to notify their staff and volunteer organizations. **The Emergency Operations Center Management Teams phone numbers are under the warning section.**

Where a threat of an impending emergency exists, the Emergency Operations Center; Management Team will be notified and placed on alert. The Emergency Coordinator or designate may open the Emergency Operation Center in order to coordinate the response to the emergency and/or coordinate public information.

TERMINATION

The details of the termination must be published by any means of communication

that is considered most likely to make those details known to the majority of the population of the area affected by the declaration. Immediately on making the termination, a copy of the termination must be forwarded to the minister.
