Council News

Every Drop Counts

An increase to the water rates will effect each household in 2019. There will be a minimum of \$1.00 a month or \$3.00 a Quarter.

BE WATER WISE

If you commit just a little extra effort each day to save water, you alone can make a difference. Do our future generations a favour, conserve water.

Did you know A leaky toilet can waste as much as 950 litres of water per day or the volume of 12 bathtubs a day?

Effective February 19, 2019 the town will no longer be accepting application from tenants or other occupants. In order to ensure that the Registered Owner of a property is not left with a large outstanding bill when their tenant leaves town, all water bills will be billed to the Owner. The tenant will still be able to pay the bill at the town office or online on behalf of the Owner by providing the account number.

All new Owners are required to fill out a form with billing information, possession date and other required details. Please contact the office. 306.743.2432

A Water Meter Deposit of \$100.00 is required for each service.

If you require temporary or long term disconnect please contact the office. Failure to contact the office may result in bills during this period.

Water bills are Mailed Quarterly.

Recreation

"Is the experience that results from freely chosen participation in physical, social, intellectual, creative and spiritual pursuits that enhance individual and community wellbeing".

NEW POOL PROJECT

If you are interested in donating you can do so at the Town Office!

Our next fundraising event:
Slo Pitch Tournament
May 24th & 25th

MARK YOUR CALENDAR LAFF N LINGER 2020 August Long Weekend

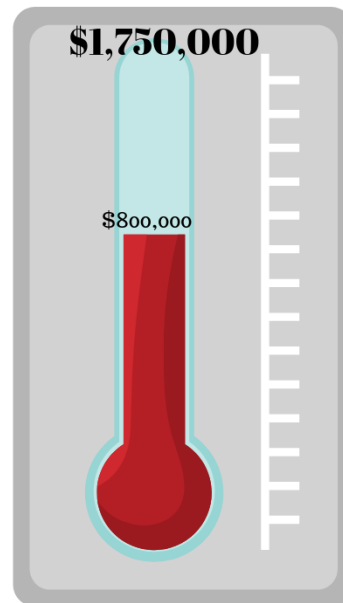

First Planning Meeting will be held
April 4th @ 7:00pm in the Rm Auditorium

We need volunteers to sit on the planning committee. If you have experience planning big events or are looking for a new project to take on this is a GREAT community event to get involved in. It only happens every 5 years and brings a lot of revenue for community projects!

Have questions? Contact Juli Mitschke 306.743.5176

Make a Splash CAMPAIGN

We are almost half way there!

Make a Donation

Instructor \$50,000
Lifeguard \$25,000
Swimmer \$10,000
Fish \$5,000
Minnow \$1,000

Newcomers Welcome Committee REVAMP!

One of the Town's 2019 goals is to help newcomers feel welcomed and support them to settle and integrate into our community. In January the development team revamped the Newcomers Welcome Committee. This committee will work towards making a positive difference in the lives of all of our newcomers.

The Committee decided to organize "Hi Day on Fridays" a networking event (the last Friday of each month) for newcomers and those who want to meet them. Please check the Town website - Events calendar for the monthly events place and time.

The Newcomer's Committee is launching a new great resource. The Mentor: a volunteer who will help newcomers get settled and connected in our community, support and guide them with all relevant information, introduce them to people and integrate them into the communities culture.

If you are new to Town or want to be a Mentor please contact Cathy McKenzie (306) 743-7556.
